ALL RIDE SOS Beacon Light V16 8x8x4cm

Origin
Kina

Compact V16 emergency beacon for safer roadside breakdowns and accidents. When activated, it connects to the mobile network (ES only)to automatically alert first responders and share the location of the vehicle. The bright 360° flashing light and magnetic base make it easy to place on the roof of the car so other road users are warned in time.

- Automatically connects to mobile network to notify first responders and send GPS location. (ES only)
- Powerful 360° flashing warning light for high visibility in breakdown and emergency situations.
- Magnetic, waterproof design for quick roof mounting, replacing traditional warning triangles.
