

UNBRANDED Cordless Electric Chainsaw 21V

Origin
Čína

- 21V battery-powered for cordless operation
- Lightweight design for easy one-handed use
- Efficient pruning and cutting performance

This cordless electric chainsaw offers efficient and rapid pruning and cutting for garden maintenance. Powered by a 21V battery, it is lightweight, easy to use, and highly effective for trimming branches and small logs. Ideal for both professional landscapers and home gardeners seeking a portable, eco-friendly cutting solution.
