

PHILIPS TV Screen Cleaner with Microfiber Glove

Origin
Kina

- Non-streak formula with anti-static properties
- Includes large microfiber cleaning glove
- Universal for all TV and monitor types

Professional screen cleaning kit designed for all TV types including LCD, Plasma, OLED, and QLED displays. The non-streak formula ensures crystal-clear results while the anti-static properties help prevent dust buildup. Includes a large microfiber cleaning glove for quick and efficient cleaning of extra-large screens.
