

UNICOMFORT Anti-Fatigue Interlocking Corner Mat 60x60x1.5cm 2 pcs

Origin
China

- Diamond plate textured surface
- Dimensions 60x60x1.5cm
- Interlocking corner design for easy assembly

This interlocking corner mat features a durable diamond plate texture, providing comfortable anti-fatigue support for workshops, garages, and gym floors. Its connecting edges allow easy assembly with matching tiles to create a seamless protective surface. Ideal for wholesale distribution to hardware and fitness retailers.
