

GRUNDIG Set of 4 warm white solar deck lights

Origin
Kiina

Illuminate outdoor pathways, terraces, or garden edges with this set of 4 compact solar lights. Each light charges automatically during the day and provides 6–8 hours of warm white LED lighting at night. With IP44 splash-proof protection and no need for wiring, these lights offer a simple and energy-efficient outdoor lighting solution.

- Automatic solar charging with 6–8 hours operating time
- Warm white LED light and IP44 outdoor protection
- Easy installation no plug or wiring required
