

BLACK+DECKER Multifunctional Scissors with Serrated Blades and Integrated Utility Tools

Origin
China

These multifunctional scissors are designed for versatile household and DIY use. The stainless-steel blades include serrated edges for controlled cutting, while the integrated utility tools—such as a bottle opener, nut/bolt grip and wire stripper—add extra functionality. The ergonomic handles ensure comfortable and secure grip during use.

- Serrated stainless-steel blades for firm cutting
- Integrated utility tools (bottle opener, nut/bolt grip, wire stripper)
- Ergonomic non-slip handles for comfort and control
