

BLACK+DECKER Manual Pressure Sprayer 2L Transparent PET Tank

Made in EU
Italy

This practical manual pressure sprayer with a 2-liter capacity is ideal for watering plants, applying fertilizers, or spraying cleaning solutions. The transparent PET tank makes it easy to monitor the liquid level, while the ergonomic handle and pump mechanism ensure comfortable and efficient use. Equipped with an adjustable nozzle for different spray patterns, this sprayer is suitable for gardening, household cleaning, and other everyday tasks.

- 2-liter transparent PET tank for easy liquid level visibility
- Manual pump system creates consistent pressure for efficient spraying
- Adjustable nozzle for fine mist or targeted spray
